**Festival "Kurak  
jana Terme"**

Jalal-Abad region,  
Suzak district,  
v. Barpy

**June 20<sup>th</sup>**

The festival is dedicated to kurak - this is the name of various products made from sewn patches. The name comes from the word "kura" which means "sewn - assembled from separate parts" and refers to both the finished products and the way they are made. This type of handicraft can be found throughout Central Asia. It was also practiced throughout Kyrgyzstan, but especially in the south.

## **Festival of NATIONAL CAUSINE**

Jalal - Abad region,  
city of Jalal - Abad,  
st. Erkindik,  
building 3

**August  
29<sup>th</sup>**

During the festival,  
you can see how  
traditional dishes are  
prepared and taste  
them. Folklore  
concerts are also held.  
It should also be noted  
that meat is the main  
ingredient in almost  
all dishes of the  
Kyrgyz cuisine: lamb,  
beef, horse meat and  
yak meat. This is due  
to the traditions of  
cattle-breeding of the  
nomadic Kyrgyz  
going back to ancient  
times.

the event**

**Festival  
"NUKURA"**

Naryn region  
Naryn city

**September  
16<sup>th</sup> -17<sup>th</sup>**

"Nukura Fest" is held with the aim of attracting both citizens of Kyrgyzstan and foreign tourists to the city of Naryn, as well as acquaintance with the local culture and traditions that have existed for many years since the founding of the city of Naryn.

The festival provides for the demonstration of the traditions of the Kyrgyz people, such as "removing the fetters", "putting a child in the cradle (beshik)" and possible participation in them.
