WCEF2023 PARTNER NETWORK MEETING

1 March 2023

W **HELSINKI,
FINLAND**
2023
**WORLD
CIRCULAR
ECONOMY
FORUM
2023**
30 MAY - 2 JUNE

WCEF Concept

- The World Circular Economy Forum presents the world's **best circular economy solutions** and gathers the most recognised experts and decision makers in the field. The aim is to accelerate the global **transition towards a circular economy** to achieve the UN Sustainable Development Goals.
- The WCEF event contains **high-level programme** with discussions, workshops, networking, side events and business excursions. The focus is on plenary/parallel sessions that cover different circular economy topics and bring business and the environment together, as well as encouraging networking between the participants.
- Partner-led Accelerator Sessions bridge WCEF to **the daily work needed** for a circular transition, extending the main sessions' themes into the ongoing work of partner organisations on a global scale.
- At WCEF2023, we want to be **practical** and give more room for **sectoral & value chain specific** discussions.

WCEF2023 – Circular solutions for nature and the economy

1. Facilitate conversations and create a wider understanding on how the circular economy allows us to **tackle some of the complex root causes** of resource overconsumption, pollution, climate change and biodiversity loss all at once
 2. Engage the **voices of young generations** in the top-level circular economy discussions
 3. Build the momentum for a **nature-positive future** by compiling a focused and practical agenda
- +1 Create **memorable moments** at WCEF2023 for all participants, spark the desire and build capacity to leave nature in a better state for future generations  

What's to come?

2+2 days of the main event

- 30-31 May • 2 days of joint programme with 2 000 people live in Messukeskus, Helsinki + online
- 1-2 June • 2 days of **Accelerator Sessions** led by WCEF Partners globally, online or in person

And more

- **Online participation** from anywhere around the world via Youtube + app
- **Studios** – smaller in-person events can be organised by anyone during or after the main event, with live stream from Helsinki and localised programme
- **Side Events** can be organised by anyone throughout 2023 → those taking place on 22 May – 11 June will be listed on wcef2023.com, and all will be listed on sitra.fi

Programme structure: 2+2 days (+361)

4 Plenaries

Expo

WCEF2023 Expo Area Stand

[Call for Expo Area stand hosts](#) is open until 19 March
→ Send your application to contactus.wcef@sitra.fi

The Expo Area consists of around 40 stands

- Each stand will be a fixed form
- Price with basic set up is 1 480 euros + VAT

We are looking for scalable circular economy solutions that

- Inspire the world towards a nature-positive future
- Tackle the root causes of climate change, pollution and biodiversity loss

We value

- Different perspectives on the circular economy
- Solutions which accelerate the transition to a regenerative and resilient economy

Accelerator Sessions

WCEF2023 Accelerator Sessions on 1–2 June

- **Partner-led**
- **Build a bridge** between WCEF2023 and the daily work needed for a circular transition
- **Extend the main sessions' themes** into the ongoing work of partner organisations on a global scale.

Responsibilities of Accelerator Session hosts

Take care of **all practical arrangements**, including:

- session content and format
- speaker invitations
- participant registration
- event webpage
- event platform/venue
- timing
- marketing and communications (Sitra will support communication through WCEF channels)
- To help measure the impact of WCEF2023, partners will be asked to share a **post-event summary with key takeaways** (max 100 words) plus speaker and audience (registrations and participants) **statistics** (number, gender, nationality/country of residence) with Sitra

Responsibilities of Sitra

- **Co-ordinating the selection** of WCEF2023 Accelerator Sessions
- **Linking together partners** who are looking at similar themes
- **Sitra and WCEF2023 will promote** the Accelerator Sessions as an integral part of WCEF2023 programme

Facts and format

- Accelerator Sessions may take place on **1–2 June**.
- The sessions will be **live events** delivered **physically or virtually** at a venue or on a platform of the host's choice.
- Should be **open to the public**, but hosts may limit the number of participants.
- Should be **relevant to a global audience** but may feature **local** case studies and perspectives.
- **Recommended language is English**, but sessions may be delivered also in other languages. Simultaneous translation, if desired, will be the responsibility of the host.
- The **session host** has the main responsibility for **promoting the sessions**, so we strongly encourage the partners to use your own marketing channels.
