# BARILGA EXPO

*Build smart ...*

**APRIL 11-13. 2025**  
**BUYANT-UKHAA PALACE**  
ULAANBAATAR MONGOLIA

The "BARILGA EXPO" international construction exhibition fair have been organized by our team continuously for many years and now we are vigorously preparing to launch our 37th exposition. Cooperating with various governmental and non-government organizations such as the Mongolian Ministry of Urban Development Construction and Housing, Construction Development Center, Mongolian National Construction Association we increase year by year the number of fair participants and sales volumes so that now our exhibition became the largest and most influential event in the domestic construction industry.

The fair hosts 400 international and domestic construction material manufacturers, traders, suppliers, advanced technology appliers, investors and project implementers from 20 countries such as Mongolia, China, Korea, Japan, Germany, Poland, Italy, Turkey,

Russia - each one of them being forerunners at their sectors, they introduce their newest brand products and housing projects to approximately 40 thousand target customers each year.

The coming year's 37th "BARILGA EXPO" international construction fair will be held traditionally on 11, 12, 13 of April, 2025 at the "Buyant-Uhaa" palace in Ulaanbaatar city under the motto "Build smart..." and our team is preparing for the event intensively.

This year, when global implementation of green building technologies and sustainable development policies are on the rise, we intent to introduce and represent more green materials, smart building technologies encouraging the construction sector to support green technologies and be more socially responsible.
