Montenegro Business service sector

invest in Montenegro

Availability of skilled labour

Unemployment rate of 17.9% in Montenegro is still at a higher level than in most of the countries in SEE. The educational structure of unemployed persons shows that 61.9% of persons have completed high school followed by the unemployed with completed high education 22.2%.

Strategic location

Perfect point on the map for companies that export their products and services to the EU, Southeast Europe and the Middle East. Well airport connectivity, the possibility of transport by land, air and sea guarantees unique access to markets and delivery of all products on time.

Favorable taxation system

Montenegro has one of the lowest corporate tax rates in Europe which is one of the greatest incentives when it comes to foreign investors seeking to open companies.

Friendly legislation

Montenegro has a very friendly legislation for foreign investors, as it even has a Foreign Investment Law which guarantees a national treatment for foreign investors, who have the same status as the domestic ones.

Growth

Montenegro has been ranked the world's 5th fastest growing tourism destination by the UNWTO in 2019.

Montenegro's Economic

Infrastructure

7 895 km road network, 250 km railway network
3 ports: Bar, Kotor and Zelenika
2 airports: Podgorica and Tivat

Position: South East Europe

Population: 620 739 (MONSTAT 2021)

Area: 13 812 km²

Capital: Podgorica

Coastline: 295 km

Income Category: Upper middle income

Currency: € (EURO) (not part of the Eurozone)

International agreements

CEFTA

FTAs with EU (SAA), EFTA

Turkey, Russian Federation and Ukraine

42 double taxation agreements signed

27 BITs and 6 TlPs (UNCTAD)

☆ Due to time proximity (GMT+2), cultural similarities and multilingual capabilities, Montenegro is an attractive location for both in-house and outsourced operational hubs

☆ With unsaturated but fast developing market, Montenegro is becoming a next-wave location for delivery of voice and non-voice business process services and IT

☆ The turnover of IT and business services sector reached 56,3 million € in 2020. Members of the ICT cluster achieved revenue growth of 25% of which 79,12% of revenues are exports - a total of 12,2 million€. The number of employees in the 30 most successful IT companies in Montenegro in 2020 was 704.

☆ "For now, the IT sector is successfully resisting the crisis caused by the corona virus pandemic, and our goal is to create conditions for the IT sector to become the backbone of the future development of Montenegro and a strong economic activity that will create leading export products. We are proud of the business results of our founding members, and we are especially pleased that IT exports in 2020 increased by almost 30%. The outcome of the analysis gives us confirmation that IT is a promising branch, export-oriented, and further investment in IT can certainly provide an incentive for recovery and strengthening of the entire economy." - said Tanja Dukic, Marketing Director of ICT Cortex.

EPO&IT Providers in Montenegro

We have chosen Montenegro as our investment destination because of growing IT market opportunities.

Based on the analysis of "S & T Crna Gora Ltd", we defined the key strengths.

Montenegro boasts the lowest headline personal income tax and corporate income tax rates in Europe, both 9%.

Fourth lowest in the world, first in Europe (alongside Hungary)
excluding jurisdictions with a corporate income tax rate of zero percent

Country	Rate
Montenegro	9%
Bosnia and Herzegovina	10%
Bulgaria	10%
Moldova	12%
Cyprus	12.5%
Serbia	15%
Croatia	18%
Malta	35%

While almost all of eastern Europe offers rather reasonable tax rates, Montenegro offers the lowest tax rates and the benefit of a country you might actually want to live in. Montenegro's corporate income tax (CIT) rate is a flat rate of 9% on all company income. This refers to standard operating income, capital gains, and interest income. VAT is 21%.

Montenegro's government has set up transparent and fair tax conditions for potential international investors. It has created an environment that is perfect for company formation which benefits both the country and the business owner. Business owners in Montenegro are benefiting from these low tax rates and you could be too.

Montenegro has double-tax treaties with a majority of the EU countries including but not restricted to Germany, Italy, Croatia, Ireland, the UK, Netherlands, and France. Montenegro also has double-tax treaties with Switzerland, China, and Korea. In total, Montenegro has signed 42 treaties with 36 treaties currently in place and 6 treaties that are still pending.

Office Market

The core of business activity is located in Podgorica, and therefore represents the main business hub of Montenegro

Demand is driven by new companies; expansion of those already present on the market, as well as companies currently occupying lower standard offices. The majority of demand will continue to come from international and local companies that are actively looking to relocate from older and lower standard office buildings to newer and modern buildings.

10 zones

257 hectares

0,01 € / m²

30 years lease

Investors could be provided with incentives at both local and state levels. While leaving the opportunity to apply for all incentive programs at the state level, incentives at the local level relate to the following:

- reduction of utility or other fees;
- favorable price of renting / buying space within the business zone;
- reduction or exemption from payment of surtax on personal income tax;
- reduction of real estate tax rate;
- the possibility of defining a favorable model of private-public partnership;
- infrastructural equipping in areas where it does not exist.
